

§ 518.30

Act, but will imply one or both Acts. For these reasons, the following guidelines are provided to ensure that requesters receive the greatest amount of access rights under both Acts:

(a) Requesters who seek records about themselves contained in a PA system of records and who cite or imply the PA, will have their requests processed under the provisions of the PA.

(b) Requesters who seek records about themselves which are not contained in a PA system of records and who cite or imply the PA, will have their requests processed under the provisions of the FOIA, since they have no access under the PA.

(c) Requesters who seek records about themselves which are contained in a PA system of records and who cite or imply the FOIA or both Acts will have their requests processed under the time limits of the FOIA and the exemptions and fees of the PA. This is appropriate since greater access will be received under the PA.

(d) Requesters who seek access to agency records and who cite or imply the PA and FOIA, will have their requests processed under the FOIA.

(e) Requesters who seek access to agency records and who cite or imply the FOIA, will have their requests processed under the FOIA.

(f) Requesters should be advised in final responses why their request was processed under a particular Act.

DoD Components may share reading room facilities if the public is not unduly inconvenienced. § 518.32 Material availability.

The FOIA requires that so-called “(a)(2)” materials shall be made available in the FOIA reading room for inspection and copying, unless such materials are published and copies are offered for sale. Identifying details that, if revealed, would create a clearly unwarranted invasion of personal privacy may be deleted from “(a)(2)” materials made available for inspection and copying. In every case, justification for the deletion must be fully explained in writing. However, a DoD Component may publish in the FEDERAL REGISTER a description of the basis upon which it will delete identifying details of particular types of documents to avoid clearly unwarranted invasions of privacy.
